

WARRIORS 4 WILDLIFE'S Charity Fundraiser

Celebrating 10 Years

To whom it may concern,

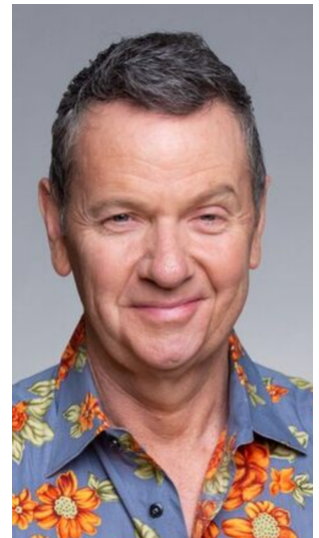

We are excited to share our 10th Anniversary Charity Fundraiser on Saturday, 2nd August 2025, at LXD Lounge, Chadstone Tower One.

Since its founding in 2015, Warriors 4 Wildlife has been committed to creating a meaningful impact in the preservation and protection of our native wildlife. This event is designed to generate essential funding to support the rescue and transportation of injured and orphaned animals, while also bolstering the rehabilitation work carried out by Victoria's Wildlife Shelters and Carers. With your help of sponsorship, we can equip wildlife rehabilitators with the critical tools, enclosures, and resources necessary to care for injured animals and ensure their readiness during natural disasters.

Special Guest, Marty Fields, patron of the Lost Dogs Home will be our MC and Auctioneer for the evening whilst also bringing comedy and entertainment for our guests.

We are reaching out to you today to request your support for this important cause. During the event, between the entertainment we will be hosting several fundraising activities including:

- Silent Auction
- Live Auction
- Door Prize

Any contribution you can provide, whether in the form of vouchers or items for auction, would be immensely appreciated. Vouchers can be emailed to us directly at this email address, and for items requiring collection, please feel free to contact us via email or mobile phone to arrange a convenient time.

Thank you for considering our request. Your support will make a meaningful difference in the lives of wildlife, and we would be honored to have you join us in this endeavor.

With all our gratitude,

The team at Warriors 4 Wildlife

MARTY FIELDS 2025 COMEDY BIOG

Marty Fields is a rapid-fire power station of material and one of the genuine big guns on the Australian comedy circuit.

You'd know Marty from his five years on "Hey Hey it's Saturday" with his father, Maurie Fields, "Blankety Blanks", "The Battle of the Sexes" or his ongoing role as Sgt. Roy Holland in "Blue Heelers".

He's written six best selling comedy books, has a comedy radio show that is networked to over a hundred stations nationally, produced, wrote and performed in "The All Sports Show" for the Comedy Channel and is currently starring in the Australian comedy film, "That's Not My Dog".

He was recently nominated for a "Mo" award as the best stand-up comedian in the country for the second time. He's considered one of our great comedy exports, and has just returned from his fifth tour of the United States where he performed in Phoenix, Las Vegas, L.A, Dallas, and headlined for a week at the New York Comedy Club in Manhattan.

In 2005 he was inducted into the Australian Comedy Hall of Fame.
